

**Input is a Charity Providing
Work Preparation for People
with Learning Difficulties or
Who Need a Little Extra Help.**

**We Recycle Used Donated
Computers & Give them to the
Local Community**

**Like to Help?
You Can Apply on the Form
Over to Become a Trainee**

Trainee

Within an IT/Recycling workshop environment Input provides a work related future and purpose for people with Learning Difficulties. Our focus is on providing practical skills and real world experience not only in IT but in retail, marketing, customer service and admin/office support. With the assistance of volunteers from the local community emphasis is given to guidance and support during training and on-going personal preparation towards employment. Our aim is to support our trainees into appropriate employment.
